

Megaride Sud de l'Italie

♥ A dream moto tour where we will visit Rome, the Abruzzi, Pompeii, the Amalfi coast, Maratea, Calabria, Sicily, the Etna volcano, Taormina, Palermo, Trapani, Marsala.

Here is a summary of the tour Megaride Sud de l'Italie. This tour is designed for warmth in the colder riding season. We start in Rome the eternal city, then, we keep riding south, direction the Abruzzi and then the Amalfi coast and maybe, for those who want, a visit to Pompeii. From the Amalfi coast, we follow the coast line to get to Maratea. We will stay two days in Maratea, visit the Basilicate then head for Calabria and cross the strait of Messina by ferry to Sicily.

We will stay in Sicily for 4 days, giving us enough time to visit some of the wonders of Sicily, like the Etna, the ancient temples of Agrigento, Syracuse, Palermo or ride the roads along the coast. Later that week, we will board a ferry to Naples.

Contrary to other Megarides, we will return our motorcycles on Thursday, in Rome. Which leaves us free to visit the City.

The package includes: a representative who will meet your group at the airport and will ensure your transportation to the base hotel where you will pick up your motorcycle. Most of our motorcycles are equipped with side and top cases. All our motorcycles are equipped with a GPS preprogrammed with all the relevant itineraries. Each morning, instructions will be given by your accompanying guide during your adventure.
